New Program

The **Adopt – A – Road** program reinforces Mount Pocono Borough's litter pick-up efforts by involving citizens in the anti-litter efforts of our community. The program serves as an educational tool to make people aware of the litter problem and serves to provide clean, well cared for roadways for Mount Pocono Borough's citizens, roadway users and the visitors to our area. The program allows groups or individuals to become special "caretakers" of portions of Borough or state roadways.
